

Woodcreek Santa Parade and Food Drive

**Saturday, Dec. 10
Starting at 10 a.m.**

2011 Parade Route:
*Note: New ending point
at 2221 Ridgewood*

Santa will ride on his sleigh through the neighborhood to collect non-perishable food and cash donations for Metrocrest Social Services. Santa needs elves to ride along with him and helpers to pick up donations along the parade route. Decorate your car, bicycle, or dog and join Santa and the festive antique vehicles in the parade. All participants should assemble at the west corner of Southern Circle and Kelly Blvd. at 9:45 a.m.

You may also leave a food donation at the curb for pickup (by 9 a.m.).

Join us after the parade (at about 10:45 a.m.) for refreshments, and a visit and free photo with Santa. Please bring a plate of your favorite cookies to share with your neighbors.

New Location: At the home of Jon & Terri Ortega - 2221 Ridgewood.

*Please give us a call if you want to participate in the parade or help with food collection.
Elves should be accompanied by an adult.*
